

HLSCC DIGITAL

At the H. Lavity Stoutt Community College

Your Learning
is Going

DIGITAL

This Fall, HLSCC is introducing a range of digital resources to make attending easier and more affordable!

Our Educational Resources Fee includes all of these resources, **saving you up to \$500 per semester** in materials and books.

We know a textbook can cost up to \$300!

So we are providing you with electronic textbooks through **CENGAGE UNLIMITED**.

Research can be demanding and stressful.

So we have gotten you the best research databases available starting with **EBSCOHOST**.

You need a little bit extra from your classes.

So we have improved the eLearning experience with videos, simulations, and other exercises on **MOODLE, MINDTAP, WEBASSIGN**, and more.

We can't wait for you to go digital with us!

For more information call 284 541 3052
or email Dr. Richard Georges at rwgeorges@hlsc.edu.vg

QUESTION & ANSWER

Q. How is HLSCC going Digital?

A. In Fall 2019, HLSCC is introducing a range of digital resources to both enhance the learning experience and make it more affordable. These resources include digital textbooks, eLearning platforms, research databases, and digital library resources.

Q. What does this cost?

A. We have added a \$250 Educational Resources Fee that covers all of these resources, including all of your digital textbooks, each semester. The average cost of a textbook now is \$130, so this fee saves you an average of almost \$500 per semester in books but provides much more.

Q. How do I sign up?

A. Once you have registered and paid your fees you report to the Information Technology Department who set up your email address, your SONIS account, and your Cengage Unlimited account. Once you have done this, you will have access to all of your resources.

Q. What is Cengage Unlimited?

A. Cengage Unlimited is a digital textbook subscription service that allows students unlimited digital access to all of the digital ebooks and study tools Cengage has to offer. While Cengage Unlimited is not our only provider of textbooks, this is what the majority of your classes will be using. Cengage Unlimited offers access to over 20,000 books and supports your learning experience with videos, powerpoints, practice tests, and even 3D simulations.

Q. What are the other digital resources?

A. In addition to digital textbooks, we have reintroduced EBSCOHost, which is one of the world's leading online research databases with access to millions of articles, books, and images. To supplement EBSCOHost, we have added the online library JSTOR which compiles complete electronic copies of almost 2,000 academic journals and the library database CredoReference. Alongside all these, we also offer PrepStep, an online learning platform for career building.
